CR Magazine’s Prestigious List Ranks Russell 1000 Companies on Environmental, Social and Governance (ESG) Performance

PAWTUCKET, R.I.--(BUSINESS WIRE)--May 7, 2018-- Hasbro, Inc. (NASDAQ: HAS), a global play and entertainment company, announced today that it ranked No. 5 on the 2018 100 Best Corporate Citizens list by CR Magazine, which recognizes the standout environmental, social and governance (ESG) performance of public companies across the United States. This is the fourth consecutive year Hasbro has ranked in the top five, due to its commitments to environmental sustainability, human rights, diversity and inclusion, and community.

“We’re honored and humbled to once again, rank so highly on the 100 Best Corporate Citizens list,” said Brian Goldner, chairman and CEO, Hasbro, Inc. “In much the same way that our business continues to transform, so has our commitment to integrate CSR throughout our business. I’m proud of the great strides we’ve made to strengthen our CSR performance, increase transparency, and tell the Hasbro story, which includes impactful results in many areas including human rights and the environment.”

The 100 Best Corporate Citizens List documents 260 ESG data points of disclosure and performance measures—harvested from publicly available information in seven categories: environment, climate change, employee relations, human rights, governance, finance, and philanthropy & community support. The list ranks the Russell 1000 Index.

“CR Magazine is proud to present the only ESG ranking list that doesn’t rely on self-reporting,” said Dave Armon, publisher of CR Magazine. “Hasbro continues to stand out as a leader in corporate responsibility. Through their journey of continuous improvement, they are driving real, lasting change and inspiring other companies to put their own values into action.”

This achievement builds on the recognition Hasbro has already received this year, having recently been named one of the World’s Most Ethical Companies® by Ethisphere Institute, and among America’s Most Reputable Companies by the Reputation Institute, the world’s foremost research and advisory firm focused solely on corporate reputations. Hasbro ranked No. 3 on Newsweek’s 2017 Green Rankings, and was named to the Civic 50 list of Most Community-Minded Companies for the past five years.

These prestigious accolades highlight Hasbro’s commitment to leading with integrity and operating responsibly — from product safety and environmental sustainability to governance and ethics.
