Magic: The Gathering Arena Is Now Available on Mobile Devices Around the World

March 25, 2021

Players Can Now Play Magic Anywhere by Downloading the App for Free on the App Store and Google Play

RENTON, Wash.–(BUSINESS WIRE)–Mar. 25, 2021– Wizards of the Coast, a subsidiary of Hasbro, Inc. (NASDAQ: HAS) is proud to announce that *Magic: The Gathering Arena* is now available to download for free on the App Store and Google Play. With new touch screen controls the new mobile app allows players to manage and grow their *Magic: The Gathering Arena* collection wherever they go, and match against others on mobile, tablets, Windows PC or Mac OS.

All *MTG Arena* card sets, formats, events, deck building and more are supported on mobile and tablet devices, including the latest set Kaldheim. Players can use their Wizards Account to access their existing *MTG Arena* collection, complete quests, and match against other players regardless of platform. *MTG Arena* on mobile and tablets also utilizes touch screen and other gesture controls that make gameplay easier for smaller screens.

"The phenomenal growth and popularity of *Magic: The Gathering Arena* has been driven by our dedicated community of players and fans – and we couldn't be more grateful for their passion and support as we continue to evolve the brand to new platforms and experiences," said Chris Cao, Executive Producer at Wizards of the Coast. "Today's launch of *MTG Arena* on mobile and tablet devices marks a very important step to bringing the game of Magic to everyone, anywhere, any way they want to play."
