The 100 Best Corporate Citizens ranking is based on 146 ESG transparency and performance factors in eight pillars: climate change, employee relations, environment, finance, governance, human rights, stakeholders and society, and ESG performance.

Using a methodology developed by 3BL Media, all Russell 1000 Index companies are researched by ISS ESG, the responsible investment research arm of Institutional Shareholder Services. There is no fee for companies to be included in 100 Best Corporate Citizens.

To compile the ranking, corporate data and information is obtained from publicly available sources only, rather than questionnaires or company submissions. Companies have the option to verify data collected for the ranking at no cost. "Achieving the transformational targets in the Paris Agreement and UN Sustainable Development Goals in this decade requires all companies truly embed ESG issues into the core of their business," said Dave Armon, CEO of 3BL Media. "The best corporate citizens of 2021 are answering the call by demonstrating the societal and bottom-line value of leadership and transparency around ESG topics. They are setting ambitious goals, outlining robust strategies for achieving them, disclosing data to measure progress, and accounting for all stakeholders in business decisions."
