PAWTUCKET, RI – April 28, 2022 – The MONOPOLY tokens are changing... but which will win the vote?! Today, Hasbro, Inc. (NASDAQ: HAS), a global play and entertainment leader, launched an all-new campaign, MONOPOLY Throwback Token Vote, which gives fans across the globe a chance to bring back one of six retired iconic tokens from their childhood - Thimble, Wheelbarrow, Iron, Boot, Horse & Rider, or Money Bag. Beginning today, April 28, fans worldwide can visit www.monopolytokenvote.com to choose one Throwback Token popularized in the 1990s that they'd like to see in the next generation of the Classic MONOPOLY game and vote one of the current tokens out. Voting will last for three weeks and conclude with Hasbro revealing the results of the vote to determine which Throwback Token will make the cut!

The fan-picked MONOPOLY Throwback Token winner will be updated in a refreshed version of the Classic MONOPOLY board game hitting shelves Fall of this year in the U.S. and Spring 2023 globally. The current Classic board game including the Scottie, Battleship, Racecar, Top Hat, Penguin, T-Rex, Hazel, and Rubber Ducky tokens will be replaced with the refreshed MONOPOLY - so be sure to grab a piece of history before one of these tokens is retired!

"We know that fans across the globe have been missing the tokens of their childhood, and now is the chance to take a trip down memory lane and bring one back!" said Adam Biehl, SVP & General Manager, Hasbro Gaming. "We're so thrilled to give fans the opportunity once again to change the global best-selling board game through the MONOPOLY Throwback Token vote... but which iconic token will emerge victorious and which current token will go into retirement?"

MONOPOLY tokens remain a key element of the game since it was introduced in 1935. Scottie, Battleship, Racecar and Top Hat were part of the eight staple tokens during the 1990s that are still in the current Monopoly game. In 2013, fans voted to include Hazel token as the newest Monopoly game piece while the Iron token was retired after receiving the lowest number of fan votes. In 2017's most recent fan vote, the Thimble, Wheelbarrow, and Boot were retired and replaced by the Penguin, T-Rex, and Rubber Ducky.

MONOPOLY is the world's favorite family game brand and is enjoyed by more than 1 billion players in 114 countries across the globe. Fans can engage with the MONOPOLY brand across many platforms and formats including live events, fashion licensing, digital gaming, casino gambling and more.
