Explanation of Responses:

1. This amendment is being filed to correct the number of shares withheld for tax withholding upon vesting of the RSUs and the resultant total number of shares beneficially owned by the reporting person after the withholding, which were inadvertently misstated due to a preliminary calculation of the tax withholding that was subsequently finalized. Due to this correction, the total number of shares reported in column 5 in the reporting person's Form 4 filed on March 18, 2025, should reflect total holdings after the transaction reported in that Form 4 as 63,574.97 shares instead of 63,378.97 shares.
